Lulu.com, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The world has unexpectedly transformed into a vibrant new place where people live in peace and harmony, where conflict and chaos are but history. Abundance, affluence, beauty and brilliance are normal occurrences in the world. How has this happened? At the dawn of the 21st century - the ingress of the golden era - some people undergo inner awakening through various events and experiences in London, Rome, Delhi, Tokyo and Siem Reap, but nothing radical happens for a long time despite their small steps of inspired actions. The unrest and discord in the current world intensify seemingly more than ever. The new world arises slowly but surely when hopes almost begin to fade. This becomes crystal clear to all like the crisp golden sun. People in the new world reveal how they have achieved such state, the process of which started way back in the distant past when the story began!.
