

The Intervertebral Foramen: An Atlas and Histologic Description of an Intervertebral Foramen and Its Adjacent Parts (Classic Reprint) (Paperback)

By Harold Swanberg

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Intervertebral Foramen: An Atlas and Histologic Description of an Intervertebral Foramen and Its Adjacent Parts Inasmuch as this work is original and the failure, after a most careful search, to find any literature on the structure Of the intervertebral foramen, I have had little need to make book references. However, Santee s Anatomy Of the Brain and Spinal Cord, and Gray s Anatomy, have both been consulted. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
