FAIR AMERICA (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Fair America Columbus claimed the New Indies for Spain. Soon after, a Portuguese sailor, finding a new country, gave it to the king of Portugal. The Pope thought to settle the matter by drawing a line on the map. All new land discovered east of this line, he declared, should belong to Portugal, all west of it to Spain. But his admirably simple plan of division, pleasing to Spain and Portugal, met objections from other nations, and presently we see many competitors for this prize in the Western Sea. First to enter the race are Spain, Portugal, England and France. Portugal early withdraws. Holland and Sweden will come in later. Not yet, however, do men s minds take in the possibility of a New World. The daring thought of Columbus having led the way many ships follow him into the Sea of Darkness. They steer directly westward or northward perhaps, or southward, but always they search for that short and golden path way to the Spicy Islands, to China and Japan. So one August day in the year there is great excitement in the English town of Bristol. A long watched for ship has just returned from a voyage over the misty Western Sea. Wonderful stories are even now ? ying abroad, for the captain has been heard to say that he has discovered a part of the main land of Chinal He landed there, he says, and set up a cross carrying the banner of England. Afterward he sailed along the coast of the country for nearly a thousand miles. This achievement means that the king of England has gained possession of a great part of Asia without even...
