

Social Theory Volume I (1st Ed.): From the Beginnings to the 1960s (Paperback)

Filesize: 4.4 MB

Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.
(Wilbert Connelly)

SOCIAL THEORY VOLUME I (1ST ED.): FROM THE BEGINNINGS TO THE 1960S (PAPERBACK)**DOWNLOAD**

University of Toronto Press, United States, 2004. Paperback. Condition: New. 3rd ed.. Language: English . Brand New Book. quote;Roberta Garner s successful Social Theory: Continuity and Confrontation is now available in a two-volume format, divided as follows: Social Theory, Volume I: From the Beginnings to the 1960s Social Theory, Volume II: Power and Identity in the Global Era Social Theory: From the Beginnings to the 1960s offers students substantial selections from the classic texts alongside unusual and thought-provoking examples of theory in action. The organization of the reader and Garner s short introductions to selections enable students to understand the historical flow of social theory, trace continuities in theory, and see how disagreements and confrontations shape theory. Her introductions, written in clear, down-to-earth language, highlight links among theorists. She shows that theoretical traditions are not rigidly separated from one another, but are always in conversation?addressing and challenging each other. She discusses how changes in society bring about changes in theories and notes the relationship between theories and research methods. Attention is given throughout the book to counter-currents as well as mainstream social thought. Designed to be easily read in conjunction with most theory texts currently available, the book contains selections which are drawn from the works of classic theorists including Niccoló Machiavelli, Edmund Burke, Karl Marx, Emile Durkheim, Max Weber, Georg Simmel, George Herbert Mead, W.E.B. DuBois, Walter Benjamin, Antonio Gramsci, Talcott Parsons, C. Wright Mills, and others. Special Combined Price: A special package price is available on course text orders when Social Theory, Volume I: From the Beginnings to the 1960s is ordered together with A Good Book, In Theory by Alan Sears. Please for more details.
