PIGGIES IN THE PUMPKIN PATCH

Charlesbridge Publishing, U.S., United States, 2010. Paperback. Book Condition: New. 236 x 210 mm. Language: English . Brand New Book. Piggies plot a peculiar path. Two little piggies run amok on the farm, as they travel from the pumpkin patch, through the garden, into the black bull s pen, and back to mama pig in time for a nap. The piggies antics introduce young readers to prepositions of direction. Alliteration, assonance, and rhyme in each of the three stanzas make for a great read-aloud.
