Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

Wyda, United States, 2012. Paperback. Book Condition: New. Tereza Svarcova Bellodi (illustrator). 200 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.SURFING ON A BANANA PEEL tells the true story of a person on a spiritual path that took an entirely unexpected and extraordinary direction while dealing with a serious illness in her family. She cleanses herself from spiritual mud she plunged into with good intentions in her past, and she spontaneously discovers a new point of view, absorbs previously unknown energy, peeks behind the hidden line of this world and receives truthful information from a new source. Her endeavor leads on a journey to spiritual evolution all while learning of alternative ways to cure and prevent cancer and other diseases. The first part of SURFING ON A BANANA PEEL, the narrator focuses too much on the physical circumstances of her life. She is angry and disappointed by lies and manipulations she used to genuinely believe. She separates seed from chaff in all areas of life and fills trashcans with the unneeded, not realizing the positive impact the whole disaster will bring. This, part one, also extensively describes alternative methods to preventing cancer and other diseases. The first part is narrated in past tense, symbolizing the outdated state of mind and her efforts to overcome it. Part two is narrated in present time, where physical circumstances no longer have power, the narrator simply accepts them and doesn't try to fight them, thanks to a new point of view. This second part is written in a diary form. That what may appear scattered is intentional, as it expresses the most important thought, feeling or information of the given day. A leap between days is present because each day brings only that, what we deserve. The...
