## A Night of Gatecrashing: La Carniceria (Paperback)

By Zachary Mortensen

ghost robot, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Welcome to Palomar City, a tightly-packed, overpopulated American mega-city. Over the last sixty years, a series of traffic control devices known as Gates have transformed this thriving metropolis into a pressure cooker of political and inter-district tension that is on the verge of exploding. One of the only groups with unrestricted passage through the Gates are the emergency medical teams, nicknamed The Gatecrashers, who find themselves in the middle of a building conflict that threatens to tear Palomar City apart once and for all. In the last issue we learned that Splitfin head of security, Kippie Moeketsi, and chief technologist, Dr. Floria Forazio, were involved with the wetware-heist-gone-wrong that sent Hex Spencer and Natas Balthus flying out the window of the 44th floor of Splitfin Tower to safety. Seeing the writing on the wall, Hex takes Dr. Stahl's advice and interviews for a job Gatecrashing with Ganesa Dispatch under the watchful eye of Rada Raja. Now, with their busted plan in danger of being discovered, Kippie demands that Dr. Dorazio return to work to keep up normal appearances.

### Reviews

*This is basically the best pdf i have read through until now. It is filled with knowledge and wisdom I am easily can get a enjoyment of studying a created book.*

-- **Dr. Carmine Hayes MD**

*Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.*

-- **Vivianne Dietrich**
