BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A mind-bending, classic Philip K. Dick novel about the perception of reality. Named as one of Time s 100 best books. From the stuff of space opera, Dick spins a deeply unsettling existential horror story, a nightmare you ll never be sure you ve woken up from. --Lev Grossman, Time Glen Runciter runs a lucrative business--deploying his teams of anti-psychics to corporate clients who want privacy and security from psychic spies. But when he and his top team are ambushed by a rival, he is gravely injured and placed in half-life, a dreamlike state of suspended animation. Soon, though, the surviving members of the team begin experiencing some strange phenomena, such as Runciter s face appearing on coins and the world seeming to move backward in time. As consumables deteriorate and technology gets ever more primitive, the group needs to find out what is causing the shifts and what a mysterious product called Ubik has to do with it all. More brilliant than similar experiments conducted by Pynchon or DeLillo. --Roberto Bolano.
