BEFORE THE MOONRISE

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Lily Reynolds had rarely traveled from her home state, but the opportunity to visit one of America s most haunted cities was not something she could pass up. Despite anxiety issues that have plagued her life, Lily and her friend Kylie set off on what they thought would be a two-week vacation, but turned into an adventure beyond her wildest dreams. Jared Claverack has lived in New Orleans from the time he was born. She was his to protect at all cost, and it was a duty he did ferociously. He was content to walk the streets at night, until his blue eyes connected with a pale-skinned woman from the north, and the occupants of the City of the Dead began to creep out from the shadows. Was he strong enough to save her, to keep her from the grasp of the evil he knew lurked in the darkness, or would she become just another one of the city s haunting stories?.
