

The Water-Babies: A Fairy Tale for a Land-Baby (Main Market Ed.)

By Charles Kingsley

Pan Macmillan. Hardback. Book Condition: new. BRAND NEW, The Water-Babies: A Fairy Tale for a Land-Baby (Main Market Ed.), Charles Kingsley, After being chased from the upper-class home of a young girl called Ellie, chimney-sweep Tom falls asleep and falls into a river. There he is transformed into a 'water-baby' and his adventures truly begin. Beneath the surface, he enters a magical world full of strange and wonderful creatures, where he must prove his moral worth in order to earn what he truly desires. One of the most unusual children's books ever written, The Water-Babies, subtitled 'A Fairy Tale for a Land-Baby', was originally intended as a satire in support of Charles Darwin's On the Origin of Species, and explores the issues at the forefront of biologists' minds at the time. First published as a complete novel in 1863, Charles Kingsley's classic tale also explores ideas about religion, the Victorian education system and the working conditions of children and the poor. With glorious black and white illustrations by W. Heath Robinson and an introduction by Christina Hardyment.

Reviews

Totally among the best publication I have ever go through. This really is for all those who statte that there had not been a well worth studying. I am just very happy to let you know that this is actually the very best pdf we have go through inside my very own daily life and could be he very best ebook for actually.

-- **Miss Audra Moen**

This type of ebook is every little thing and made me looking ahead of time and more. It is among the most amazing book i actually have read through. Its been designed in an exceptionally simple way in fact it is simply soon after i finished reading through this pdf in which actually transformed me, change the way i believe.
