Reviews

A fresh electronic book with a new viewpoint. I was able to comprehend every thing using this written e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BREATHING IN AMERICA: DISEASES, PROGRESS, HOPE (PAPERBACK)

American Thoracic Society, United States, 2010. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Breathing in America: Diseases, Progress, and Hope explores the nature and causes of pulmonary, critical care, and sleep disorders, their prevalence and burden, the benefits research has brought, and the research challenges that remain. Written for educated laypersons, the book presents basic facts about twenty-three different respiratory conditions, features a case study for each condition, and highlights the most promising areas of research. Public health experts; patients and patient advocates; government and community leaders; health reporters; and medical, nursing, and allied health students will get an overview of the most common respiratory disorders, most of which are under-recognized as health problems.
