Excerpt: . whole mouthful of green measuring-worms. The next time he had visited a garden down the hillside, for he brought one raspberry in his bill and coughed up three more. The three young Grosbeaks left the nest the morning of July 6. They were not able to fly more than a few feet, but they knew how to perch and call for food. I never heard a more enticing dinner song. The minute a youngster s appetite was satisfied, he always took a nap. There was no worry on his mind as to where the next bite was coming from. He just contracted into a fluffy ball, and he didn t pause a second on the borderland. It was so simple. His lids closed, and it was done. He slept soundly, too, for when I stroked the feathers of one, he didn t wake,...
