Trafford Publishing. Paperback. Book Condition: New. Paperback. 276 pages. Dimensions: 10.6in. x 8.1in. x 0.7in. Child and Family Advocacy is a road map to help you help your child. You know your child best and when you get that gut feeling that something is wrong, you are usually correct. What do you do What are the laws Who is on your side Why wont they listen to you What are your rights Many questions are answered here written specifically for the Parent and Family that no one has taken the time to share their rights with them. To give them informed consent of what they plan to do with their child, to make them an equal participating member of the Team for Identification, Referral, Evaluation, Planning, Implementation and Review of their childs life. This endeavor includes specific Chapters on your Childs Advocacy, Psych-Social and Developmental History, Education, Special Education, Parental Rights, Developmental Disabilities, Juvenile Justice, Behavioral Health Grief, Funding, Laws to Advocate By, Conflict Resolution and Advocacy Management and Documentation. The Appendix covers National Resources, State Resources, copy of your Parental Safeguards from IDEIA 2004, Key Concepts and lists of acronyms from several childrens systems. Two hands-on tools for Parents to control and drive their childs trip to success; The Psych-Social Developmental History can be completed at your convenience without being rushed and missing key elements. An incomplete Psycho-Social Developmental History can be as damaging to your child as none at all. The second tool is the, Advocacy Plan which will help you to identify what you believe is the Problem. It will assist you in defining the goal including objectives, methods, resources, strengths, laws and systems required to get your childs needs met. Never forget you know your child best and their most valued and successful advocate because you hold that one element...
