

The Clown from Another Planet: The Clown at the End of the World Trilogy (Paperback)

By Ricardo Jiongco

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.The Clown from Another Planet is the third installment to the Clown at the End of the World trilogy. You do not have to read the trilogy in order (The Clown at the End of the World, Jessica Alvarez, and The Clown from Another Planet) because each book contains independent short stories and novelettes, which tie together under the theme of existentialism. The trilogy is a romance comedy in tribute to the Twilight Zone genre. What if Lily Cho did not commit suicide, because Starbuck the Clown was asked by God to re-write history into alternate realities in my sequel Jessica Alvarez. Also included is Resurrect-or. A homeless amnesiac discovers that he is a god.
