The city of Chicago is known for many things, both good and bad, but it is also a city of neighborhoods. Set on the city's south side, A community equal to Harlem, New York in African American pride and culture, is the setting of this story. Bronzeville. A serendipitous trip, while boarding the L subway train, literally has Gwynette fall into the arms of the man who will impact her life forever. It's kismet. They are instantly attracted to one another. The adventure begins after that. Gwynette and Bunny's friendship inspires, captivates, provokes,...
