Coleen has spent a long night working at the Hashbrown Hut, but it hasn't been a good one so far. No tips, no luck. It's going to be hard to pay the babysitter and tuition with nights like this. But then a stranger rides in on his motorcycle to wait on his blind date. Her luck changes in an instant as he asks her if she'd like to fill in for his missing date. She goes with him, amazed at her luck, at least until she sees the ropes on the bedposts. Warning: This 7,000-word story contains sex, submission, bondage, rope, kissing, stubble-play, strangulation, turning the tables, and bagging.
