Kill by Numbers: In the Wake of the Templars Book Two (Paperback)

By Loren Rhoads

NIGHT SHADE BOOKS, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Former assassin Raena Zacari thinks she's left the past behind. The Imperial torturer who trained her is dead; the human empire is disbanded; and she is finally free. But Raena is troubled by a series of nightmares that always seem to end with her shooting an ex-lover in the head. She needs to get her mind clear because there's a flaw in the most commonly used starship drive--and the band of media-obsessed pirates she's fallen in with is right at the heart of the controversy. With humanity scattered across the galaxy, she's going to have to rely on the alien crew members of the Veracity to help her put the pieces together. It doesn't help that the Templars--wiped out in a genetic plague while Raena was imprisoned--have left booby-trapped biotechnology scattered across the galaxy. Kill by Numbers mixes military science fiction with sweeping space opera that features aliens, androids, drug dealers, journalists, and free-running media hackers. Kill by Numbers is the second book in Loren Rhoads's epic Dangerous Type trilogy. Skyhorse Publishing, under our Night Shade and Talos...
