## LONDON'S SECRETS: BIZARRE & CURIOUS

Survival Books. Paperback. Book Condition: new. BRAND NEW, London's Secrets: Bizarre & Curious, Graeme Chesters, London is a city with an abundance of bizarre and curious places and stories, being ancient, vast and in a constant state of regeneration. Newcomers have, of course, a wealth of world-famous attractions to keep them occupied for a month of Sundays, which are more than adequately covered in a plethora of standard guidebooks. What London's Secrets: Bizarre & Curious does is take you off the beaten path to seek out the more unusual places that often fail to register on the radar of both visitors and residents alike. It also highlights unexpected and often overlooked aspects and attractions of some of London's more famous tourist sites. London's Secrets: Bizarre & Curious includes some of the city's most unusual buildings, striking public artworks, outrageous museum and gallery exhibits, hauntings (including by animals), legends and much more. However, all are close to public transport links and relatively easy to get to. And, conveniently for a city with a (largely unfounded) reputation for rain - London actually enjoys a lower annual rainfall than New York, Rome or Sydney - many of the attractions are indoors, meaning you can visit them whatever the...
