HarperCollins Publishers, United Kingdom, 2019. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Authorised and fully illustrated insight into the life and career of the award-winning director, from his childhood film projects up to King Kong, together with Jackson s revealing personal account of his six-year quest to film The Lord of the Rings. Once, Peter Jackson was a name unknown to all but a small band of loyal fans and fellow film-makers. Now he is the newest member of Hollywood s elite fellowship, with his name on the most successful movie trilogy of all time. Written with Jackson s full participation, this extensive biography, illustrated with never-before-seen photos from Jackson s personal collection, tells the inside story of how a New Zealander became Hollywood s hottest property - from the early cult classics, through Academy Award(TM)-winning success with Kate Winslet s Heavenly Creatures, the abandoned King Kong remake, and the filming of The Lord of the Rings, a project which was abandoned two years into pre-production, rejected by most of the other studios and then picked up by New Line Cinema in the biggest gamble in film history. Drawing upon interviews with fifty of Peter Jackson s colleagues and contemporaries, author Brian Sibley paints a portrait of a true auteur, a man gifted with single-minded determination and an artist s vision. Jackson himself is both revealing and insightful about his entire film-making life, from his first childhood steps filming in Super 8 to the grand realisation of his life s dream: King Kong. Together, these joint narratives provide a truly unique and compelling insight into one of the finest cinematic minds at work today.
