Oscar J, is a young boy devoted to his pet dog Skipper, who he has since developed a lifelong relationship with. Through the course of dog years, Skipper begins to age, becomes ill, and dies. Never having experienced a death of any kind Oscar J is distraught. However, with the support and comfort provided by his mum, Oscar is aware that the pain and sadness he presently feels will eventually pass, and although Skipper will no longer be present for fun and games like every other previous day, his memory can live in Oscar s heart and mind forever! Daddy Can no Longer Stay. A little older from his days with Skipper, Oscar J is being subjected to constant rows, slammed doors, and silences between his parents. Over the course of weeks he believes that he could be the cause of their distress, and his behavioural failings begin. Oscar s parents are notified by the school, and it is at this point Mr and Mrs J realise the affect that their potential break up is having on their son. Embarrassed and in shock by their thoughtless actions, what has occurred is through no fault of Oscar s own. And although these are changes in life that some may experience, should any separation or divorce come to pass between his dad and mum, the one constant that they can be sure will remain, is the love that they have for their son!.
