Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.There are a wide range of diseases, pests, and nutrient deficiencies that can zap away the vitality of every cannabis garden. Oftentimes, the inexperienced gardeners rely on pesticides that aren't listed for edibles, as well as other ineffective and harmful techniques that can make the plants unusable. This book is a very resourceful guide that will show gardeners how to win back their garden and start nurturing their plants to their fullest potential by using organic, safe, and integrated techniques in pest management. Aside from giving readers information on how to make their plants very healthy, this book also highlights garden and design practices in order to prevent any future infections. This book is geared to gardeners at any experience level and in any growing conditions from outdoor, indoor, and greenhouse, to terrace and hydro gardens.
