

## Technical Analysis for the Trading Professional, Second Edition: Strategies and Techniques for Today's Turbulent Global Financial Markets (Hardback)

By Constance M. Brown

McGraw-Hill Education - Europe, United States, 2012. Hardback. Condition: New. 2nd edition. Language: English . Brand New Book. THE TECHNICAL ANALYSIS CLASSIC-REVISED AND UPDATED TO HELP YOU SUCCEED, EVEN DURING TIMES OF EXTREME VOLATILITY This book contains the most advanced methodology I've ever seen. -GEORGE C. LANE, from the Foreword Required reading for certification in the Chartered Market Technician (CMT) program Over a decade ago, when this groundbreaking guide was first published, the world of technical analysis had experienced vast change. Seemingly overnight, technological advances had utterly transformed the way market analysts performed their jobs. A growing army of professional technical traders, armed with global plug-and-play software, needed to improve their skills of price projection, timing, and risk management to weather the increasing market ranges and volatility. Technical Analysis for the Trading Professional helped them achieve it. The word spread that this practical guide provided radical new uses and combinations of indicators and formulas-and it became an instant classic. By comparison, today's markets make those of 1999 look simple-so Technical Analysis for the Trading Professional has been expanded to reflect the author's experiences over the past decade to bring you fully up to date. It provides comprehensive...
