Square Fish, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. So many secrets are buried within these compound walls. I used to be one of those secrets. After returning to the Diotech compound and undergoing an experimental new memory alteration, Seraphina is now a loyal, obedient servant to Dr. Alixter and the powerful company that created her. Happy and in love with Kaelen, another scientifically-enhanced human designed to be her perfect match, Sera s history with a boy named Zen is just a distant memory from a rebellious past she longs to forget. But as Sera and Kaelen embark on a nationwide tour to promote Diotech s new product line--a collection of controversial genetic modifications available to the public--Sera s mind starts to rebel. She can t stop the memories of Zen from creeping back in. As more secrets are revealed, more enemies are uncovered, and the reality of a Diotech-controlled world grows closer every day, Sera will have to choose where her true loyalties lie, but it s a choice that may cost her everything she s ever loved. *Unchanged* by Jessica Brody is the stunning conclusion to the *Unremembered Trilogy*. Brimming with mystery and suspense, star-crossed love, and mad scientists. --Marissa Meyer, *New York Times*-bestselling author of the *Lunar Chronicles* on *Unremembered*.
