DOWNLOAD

Folens Publishers UK, U.S.A., 1998. Soft cover. Book Condition: New. The Folens Primary Professional Development series offers teachers, Heads and others working in primary education a sharp focus on contemporary professional development topics. The series is designed to give the reader a concise view of the topic, together with clear guidance for practical action in school and to provide examples of good practice. Circles of Friends describes a simple but powerful technique for reintegrating children with behavioural problems into the life of their school and class. Based on research from Canada, the Circles of Friends technique is based on the notion of inclusion, and involves working with the focus child's classmates to rebuild their social circles. The book contains step by step instructions for setting up the Circles of Friends, a series of illuminating case studies, templates for handouts to parents and others, and a useful selection of frequently asked questions.
