Filesize: 7.19 MB

Reviews

Definitely one of the best book I actually have ever go through. Sure, it can be perform, nonetheless an amazing and interesting literature. I found out this pdf from my dad and i suggested this book to discover.
(Ms. Chanel Streich)

GHOUJAW AND OTHER STORIES (PAPERBACK)

Hippocampus Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. These smart, unsettling stories give us, with vivid detail, both the squalidly ordinary and the terrifyingly extraordinary-and make clear how closely the two are linked. -Ben H. Winters, Edgar-Award-Winning author of *The Last Policeman* Clint Smith's *Ghouljaw* stories use vivid imagery to build intense close-ups that connect reader with character, then adds psychologies corrupted by sex, loss, betrayal, guilt, cowardice, denial, and that fatal flaw pomposity. With sprightly literate language he twists old motifs into new shapes of the rural gothic, often embodied in some of the spookiest monsters from the id yet imagined-creatures gory, squishy, bloody, witchy, wild. Not to forget a demonic dog that scared the bejesus out of me! The monsters of humanity, too, find new life here, as blood cults, avenging mystics, violent poachers, PTSD, and repressed memories incarnate. Clint Smith's *Ghouljaw* releases into the reader's world a darkness that teaches, shakes, and warns. Read and after a night of tossing sleep you'll awaken changed. For the better? Well, as it is with Smith's characters, that matter's up to you. -Jim Powell, MFA, Senior Lecturer, IUPUI Over the past several years, Clint Smith has established himself as a powerfully imaginative writer of weird fiction. In this first collection of short stories, Smith demonstrates the multifaceted talents that will establish him as one of the notable weird writers of his generation. What distinguishes Smith's work is both the originality of its weird conceptions and its careful delineation of human character. One of his earliest tales, *Benthos*, features both these qualities, telling a grim tale of alienated youth and drug-taking that veers into the grotesquely supernatural. In *The Tell-Tale Offal*, Smith cleverly updates Poe...
