SIGHTLINES: A COLLECTION OF CHRISTMAS STORIES (PAPERBACK)

iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you ask me, Mark Thomas should stick to designing exciting pyrotechnic theme park attraction shows and put his keyboard in storage-it s not fair to professional writers who toil fulltime at the craft to have someone upstage us with a masterful collection of goose bump-causing emotional roller-coaster rides written in his spare time! But that is exactly what Mark has done with his Christmas stories in Sightlines. From Praying To Old Jerusalem, which is a celebration of family and love, to The December Game about honesty and friendship, you will want to make reading these stories part of your annual holiday tradition. -Woody Woodburn, Award-winning columnist and author Thumb through Sightlines and explore a collection of poignant short stories that delve deeply into the themes of love, family, faith, and friendship. Author and storyteller Mark Thomas brings each tale to life through a hand-woven hearthrug of human emotion and reminiscence. Written with an easy style that is warm and very readable, these stories help to remind us what the season is about and why it has such a deep hold on us.
