Auckland University Press, New Zealand, 2002. Paperback. Book Condition: New. 202 x 161 mm. Language: English . Brand New Book. Imperial Vistas Family Fictions is a posthumous, previously unpublished collection from awardwinning Kendrick Smithyman, the New Zealand poet who died in 1995. This collection of short poems dates from the 1980s and gives vignettes of Kendrick Smithyman s forbears, tracing them from their apparent origins in Shropshire, England. It also illustrates the shock of family myth meeting historical reality. A Kendrick was at the Restoration Court of Charles II; the eldest son of John Bailey Smithyman emigrated to America to plant cotton in the boom years coinciding with the American Civil War; a Smithyman was taken by Indians after a shipwreck on the coast of Patagonia. Smithymans were born in colonial nineteenth-century Fiji, prospected for gold on the Victorian goldfields, served in India and eventually fetched up in the Kauri and gumfields of New Zealand.
