paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Dispassionate analysis of the current junior high school students have extra-curricular resources for reading, the editor is not difficult to find there are several problems: either the students 'extracurricular reading resources are very scarce surface of students' reading is confined to the limited space of the language textbooks ; of reading resources for students to be too advanced students many extra-curricular reading counseling information for text and the student's classroom to read a far cry from the content. or even no contact. the student can not be successfully implemented in curricular should be used on extra-curricular ; or student extra-curricular resources for reading too utilitarian . many of the reading material students blindly shortsighted too much on the capabilities of the students' examination performance selected for writing. writing instruction. ignoring the students' language literacy. the root of life to cultivate and shape. In view of this. the editors organized long been engaged in the secondary language teaching practice and research. the teacher of language teaching. academic leaders. outstanding young teachers and key teachers. according to language curriculum standards cordial language synchronization to expand reading and training. This sets of series. The series insist on reading and training synchronization. accumulation and understanding of synchronization. synchronization feelings and within expand and improve the synchronization. and strive to do it - a new concept. Fully embodies the spirit of the new curriculum. to follow the law of the students 'reading. improve their reading ability of taking. and always concerned about the formation and development of students' reading literacy. The choose Wenmei. Stressed that the article's first choice. attention to the article. gold and strive for the. Wen quality and beauty. life...
