

## Revenge of the Raiders: Memoirs of a Zone Raider (Paperback)

Filesize: 4.96 MB

### ***Reviews***

*This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).*  
*(Tevin McClure)*

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.They couldn't let it go. They should've, but they just couldn't. The unexplained death of their comrade during that last botched-up adventure had pricked at their sense of honor for too long. When the news arrived that their old ship, the Forlorn Glory, had been sinisterly scuttled along with all hands, it was just too much to bear. Something had to be done. Now that they had the opportunity to go back and set the record straight, they couldn't deny themselves that chance of finally reaching some closure. They owed it to themselves. They owed it to their shipmates. Even if it meant braving the zombies and the mutants of the Red Zone. Even if it meant getting involved in government business. Had it been just that, it would've been bad enough, but when Rex Raleigh and his closest friends finally got themselves back into the nightmarish region of the globe, they got much more than they had bargained for. Book 2 in the series, *Revenge of the Raiders* picks up the tale five years after the accounts in *Final Raid*. The stakes rise when governments and secret societies cross paths again with the survivors of the crew of the ZRS *Forlorn Glory*. The would-be avengers suddenly see themselves engulfed in a centennial conspiracy that far exceeds anything they ever anticipated. When the Zone Raiders unexpectedly find themselves neck-deep in a conflict that started well before they were even born, and that promises to endure far beyond their years, what remains to be seen is just how long those years will last.
