Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Army is a learning organization. Therefore, the Army's vision is to immerse Soldiers and Army civilians in a progressive, continuous, learner-centric, competency-based learning environment from their first day of service. Within this environment, the Army applies a comprehensive program combining training, education, and experience to develop agile, adaptive, and innovative Soldiers, Army Civilians, and teams able to fight against capable and elusive enemies and win in a complex world. The Army intends to focus on the learner to strengthen and develop competencies that enable leaders to build trusted, cohesive teams capable of winning in all environments and across all domains. The learning environment will consist of tough and realistic conditions and include joint, interorganizational, and multinational components to prepare leaders for 2025 and beyond. Building on the enduring foundation of more than 24- years of preparation to defend the Nation, the Army looks to the future through its concept development process. The documents within the Army Concept Framework describe fundamental ideas about future Army operations and key required capabilities.
