Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Strictly Business: More Stories of the Four Million Now, few of us know the real life of the stage people. If we did, the profession might be more overcrowded than it is. We look askance at the players with an eye full of patronizing superiority - and we go home and practise all sorts of elocution and gestures in front of our looking glasses. Latterly there has been much talk of the actor people in a new light. It seems to have been divulged that in stead of being motoring bacchanalians and diamond hungry loreleis they are businesslike folk, students and ascetics with childer and homes and libraries, ownin g real estate, and conducting their private affairs in as orderly and unsensational a manner as any of us good citizens Who are bound to the chariot wheels of the gas, rent, coal, ice, and wardmen.
