Medallion Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. What do you want to be when you grow up? I m going to be a train. I laughed. You mean you want to be a train driver, right? No. Ollie put his hands on his hips. I want to be a train, silly, and I m going to be someday. Debi s happy life as a stay-at-home mum of three began to change the morning the elementary school secretary called. Her five-year-old had a headache. When he had another and another, each progressively worse, Debi s fear set in. Something in the doctor s kind eyes told her, Prepare yourself. This child is in danger. When medical tests revealed a highly malignant, fast-moving cancer in Ollie s brain and spine, Debi s world fell apart. Her fun-loving child was about to endure the most excruciating days of his life, and she was about to encounter the most profound lessons of hers. Ollie Tibbles: The Boy Who Became a Train is a journey down the track of every parent s nightmare. It is a story of love, tragic loss, and hope--and the true miracle of a young boy s wish come true.
