## Operation: Nibiru 2012 (Paperback)

---

By MR Arn Lou

Bogkanten, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Do the United States Intelligence Services have proof of encounters with extraterrestrials? Will our solar system receive a visit from a so-called Planet X? Or will the world as we know it end in the year 2012? Christian Bang, a former reporter and now a small-time writer living in Denmark, has just begun his third novel. Drinking and smoking a bit too much, Christian's whole life is down at heel, and his only income is a small grant. Christian is therefore finding it increasingly hard to keep the bills from stacking up around him. While on his way home from a research trip, Christian witnesses the dramatic arrest of a young computer science student. An event which gains in significance when, suddenly, the arrestee disappears from police custody - without a trace. Christian senses that a story is brewing, and he embarks on a private investigation, immersing himself in a case of international - or maybe even interplanetary - scope. As the story progresses, it becomes clear that the young student has succeeded in breaking into the databases of one of...

### Reviews

*This book is great. it absolutely was writtern quite properly and beneficial. Its been written in an extremely basic way and it is merely after i finished reading through this ebook in which basically changed me, affect the way i really believe.*
