WOUND TOGETHER (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.No one had ever died on Jim Flynn's watch. Sure, he had witnessed people who perished. But they were already dead, before he had arrived at the scene! Who would have ever thought that the firefighter would meet a receptionist that could free him from his heavy burden, for not saving an infant from a Hanover, Maryland house fire. Call her a matchmaker, if you will. Except, Lexy Mendez, who also cuts hair on the side, also volunteers on a committee that helps bring closure to grieving individuals and/or families, who have lost a loved one. Lexy doesn't have romance in mind, when she meets Jean Mc Neally. Instead, the gifted young girl, who just so happens to be married to a firefighter, intentions are to unite Jim and Jean strictly for healing purposes. And if she has it her way, this will include Victoria; Jean's daughter. Like Jim, the woman can't seem to stop blaming herself for the death of her son. With personal information at Lexy's fingertips, the receptionist is well aware of breaking office policies and Hippa Laws. Lexy's findings leads her to speak to her biological father. With his help and her husband's support, she mails invitations to Jean and Jim to attend the Firemen's Ball. The county wide, Fire stations annual events are known for raising money for a good cause. In time, Lexy will prove to her friends that heaven exists; something that she doesn't need to explain to Jean.
