ACHIEVING EXCELLENCE IN CLINICAL EDUCATION

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Teaching and Learning | This book primarily focuses on a hybrid model (CSAL) comprising of patient based analytic critical reasoning, case-script-based small group discussions, self-directed collaborative peer learning and subsequent combined clinical pathologic case conference. A self-reflective well-structured portfolio (MESRA) for assessment and evaluation used in this model is also described. Patient-based case-script delivered through a series of small group discussion is a feasible model explained with illustration as the clinical teaching...

Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dr. Janis Reilly**

It in one of the best pdf. It is written in straightforward words and never difficult to understand. It has been designed in an extremely straightforward way and it is just following it finished reading this book through which basically modified me, affect the way I believe.

-- **Deonte Abbott III**

This ebook may be worth purchasing. It absolutely was written extremely completely and useful. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for relating to when you ask me).
