John Blake Publishing Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Abandoned at two weeks old, Paul came of age in the infamous St Leonard s Children s Home in East London. The children there were routinely abused, often over the course of many years. All were underfed and unloved and told that they would amount to nothing. Angry and frustrated, Paul channelled his rage into boxing - but when an accident shattered his ambition to turn professional, he found his true calling and became a successful trainer, even working as a consultant on the pilots for a top model s fitness video. Paul has now finally found peace and fulfilment beyond anything he could have imagined all those years ago: he is happily married with two children and, through his work, he helps to heal broken bodies, build confidence and transform lives. But he will never forget his past and the unnecessary victims of a broken society.
