

Natural Prozac: Learning to Release Your Bodys Own Anti-Depressants

Filesize: 7.18 MB

Reviews

This publication will not be easy to get going on reading but really exciting to read through. it was writtern really perfectly and beneficial. I found out this pdf from my i and dad suggested this publication to find out.
(Garrett Adams)

NATURAL PROZAC: LEARNING TO RELEASE YOUR BODYS OWN ANTI-DEPRESSANTS

HarperOne. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 7.9in. x 5.2in. x 0.7in. THE DRUG-FREE ALTERNATIVE TO ENDING DEPRESSION Depressed people cannot simply cheer up. They suffer from a chemical imbalance in their central nervous system that is the source of their depression. Fortunately, balance can be restored, and that is the aim of this book. It will demonstrate how common behaviours can either maintain a brain-chemical imbalance and thus sustain depression or be used to balance our brain chemicals in order to overcome depression. - from Natural Prozac For millions of people, depression is an inescapable fact of daily life. Now, Natural Prozac reveals how to break the debilitating grip of clinical depression by ending self-destructive patterns of thought and behaviour. This safe, easy-to-follow, and scientifically proven approach to natural healing addresses the root causes of depression, not just its symptoms, and offers a new way to restore the brain's natural chemical balance without the use of prescription drugs. DR JOEL ROBERTSON, an internationally known expert on pharmacology and brain chemistry, helps readers: develop a tailored program of diet and exercise that will restore natural balance to the brain's chemistry; learn new techniques for understanding and breaking free of negative habits; adopt behaviours that produce and promote beneficial brain chemistry; use other natural methods to understand and overcome the cycle of depression, and establish a lifestyle that makes full use of the tools we each possess to control and improve our own psychological and emotional health. As director of The Robertson Institute, Dr Joel Robertson, author of Peak Performance Living, has provided performance enhancement programs and treatments for clients including General Motors, United Airlines, the Detroit Red Wings, and many others. Tom Monte is the bestselling coauthor of Recalled by Life, and a contributor to Life, Natural Health, New Age Journal, and Cosmopolitan. This item...
