Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Education is a serious matter but even so is the choice of what makes a good school, the quality of the school a person is involved with has a direct bearing to the level of intellectual prowess and professional performance they should expect. This decision of what constitutes a good school doesn't come across as trivial for a lot of people, you may think you know what a good school is until you pass through the chapters in this book. **WHAT YOU GET:** The book contains facts garnered from years of practical experience moving from one school to another from one part of the world to another, facts that shed light on what exact things make a good school. The book reveals the subtle details that people overlook to their misfortune when choosing a school for work or study. The book is written to be simple to understand with straight forward details so you would not waste much time trying to comprehend it. If you want to know the truth about facts that constitute a good school and you don't want to waste your time or risk your commitment to a school that appears to be what it is not, then for you this book is spot on!.
