

Guided Cure (Paperback)

By Paula Beiger

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Guided Cure is a story about how, like a train wreck, cancer disrupts the lives of families. Once the shock of the diagnosis wanes, you design a game plan to win the fight of your life. But once you begin to thrive and then survive, the healing never ends. You are compelled to share. Once you know the truth about cancer, you cannot unlearn it. This year, according to the National Institutes of Health, almost 600,000 Americans are expected to die of cancer. That s more than 1,600 people a day! This book is about one of the least glamorous cancers and the third most common: colorectal cancer. Every year, 130,000 people are diagnosed with this death sentence. One in 20 people experience it, and 50,000 will die from it this year. For me, Guided Cure is an authentic and straight forward story of my bout with cancer, including all the twists and turns, heartaches, and joys. It s about being strong-willed and questioning standard of care medicine. Thankfully, I was led into the saving hands of alternative/complementary and...
