GEOSTATISTICAL INTERPOLATION OF PRECIPITATION IN TURKEY

Geostatistical Interpolation
of Precipitation in Turkey

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Spatial interpolation of precipitation is an indispensable part of climatological studies. Therefore, a number of spatial interpolation techniques ranging from simple to the complex have been proposed predicting precipitation variables. In this book, the spatial pattern of Turkey's annual mean total precipitation was assessed using global and local interpolation techniques and tried to understand which one better reflected the spatial pattern of precipitation variable. | Format: Paperback | Language/Sprache: english | 340...

Reviews

The ideal ebook i possibly go through. It generally does not cost an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Vincenza Hand**

This publication is wonderful. I actually have go through and i am sure that i am going to going to study once more once more down the road. I am easily could get a enjoyment of studying a written book.

-- **Mozelle Halvorson**

Unquestionably, this is the very best operate by any author. it had been writtern extremely flawlessly and beneficial. You can expect to like the way the blogger publish this publication.
