

The Lost and Forgotten Languages of Shanghai (Paperback)

By Ruiyan Xu

GRIFFIN, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****. Li Jing, a happily married businessman, is dining at a grand hotel in Shanghai when a gas explosion rips through the building. A shard of glass pierces Jing's forehead, obliterating his ability to speak Chinese. He can form only faltering phrases in the English he spoke as a child in Virginia, leaving him unable to communicate with his wife, Meiling, or their young son. Desperate, the family turns to an American neurologist, Rosalyn Neal, who finds herself as lost as Jing--whom she calls James--in this bewitching city, where the two form a bond that Meiling does not need a translator to understand. With gorgeous prose and a dazzling sense of place, *The Lost and Forgotten Languages of Shanghai* introduces a brilliant storyteller, who shows us the power of language in both our public and our private relationships.

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Brian Miller

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Buford Ziemann
