Great River Books. Paperback / softback. Book Condition: new. BRAND NEW, Playing in the Unified Field: Raising & Becoming Conscious, Creative Human Beings, Carla Hannaford, William A Tiller, Our ideas about what we are and what we are capable of lag far behind what the science of the last hundred years has shown us. The time has come to integrate these discoveries into our lives and the ways we raise and educate our children. Carla Hannaford, bestselling author of Smart Moves draws on science, our heritage of human wisdom, and her own experience as a biologist, parent and educator to advance an empowering new view of reality.
