Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

If, in the following Postscript, I deviate a little from the rule of the preceding pages, by introducing a few short Latin sentences, You will, I trust, excuse it, and impute it to a persuasion, with which the profound reflections of the Prefaces to your Plays have impressed me, that you cannot altogether be unacquainted with the Latin language. I have said, in the preceding pages, that the controverted verse of St. John possesses a combination of positive evidence, internal and external, which gives it, in my opinion, a decisive preponderance of proof over all the negative evidence of MSS. , Versions, and Fathers. In saying this, I confined myself to the MSS. from which the Greek text of the passage was first printed by the Complutensian Editors, and by Erasmus in his third edition, and to the Montfort and Ottobonian MSS. , now extant at Dublin and in the Vatican, of the thirteenth, fourteenth, or fifteenth centuries, which are entitled to an authority in favour of the verse, equal to that of MSS. of the same centuries, quoted by Griesbach, against it. I said nothing of the intervening evidence, from the fifth to the fifteenth, further than that the authenticity of the verse was never called in question before the sixteenth century, though, during the twelve centuries which preceded the sixteenth, it was frequently quoted against the Arians. The preponderance of proof, which I claimed for the verse, will, I think, be greatly...
