

## Discourse on Applied Sociology: Theoretical Perspectives Volume 1: Theoretical Perspectives (Hardback)

By -

Anthem Press, United Kingdom, 2007. Hardback. Book Condition: New. 236 x 157 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This engaging two-volume study pursues a balance between theoretical and practical sociology. The authors are aware of the impasse often deliberately created by the self-conscious language of sociological theory. The primary concern of the applied sociologist is to adapt theoretical knowledge to actual human situations, using it to formulate social policy, investigate domestic and international social problems and create a pragmatic sociology of possibility . Volume I, subtitled Theoretical Perspectives , focuses on the problems and prospects of applied sociology in an era of globalization. The essays emphasize the close association of applied sociology with altruism, identity formation, race and ethnicity. They evaluate the empirical truths of sociological theories and examine their relevance for contemporary research, poverty, demographic issues and social policies. The authors agree that the ultimate test of theory is the extent to which it can produce knowledge that works .

### Reviews

*This is the very best publication i have got go through until now. I am quite late in start reading this one, but better then never. I discovered this pdf from my dad and i encouraged this book to understand.*

-- **Casimer McGlynn**

*This publication is wonderful. It normally is not going to expense too much. Its been printed in an extremely straightforward way in fact it is merely following i finished reading this publication where actually transformed me, modify the way i really believe.*
