Reviews

This is actually the best book i actually have go through right up until now. It generally will not price an excessive amount of. I discovered this book from my dad and i suggested this book to understand.
(Norma Carroll)

WEST OF MIDNIGHT: NEW AND SELECTED POEMS

Nyq Books, United States, 2011. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. A long overdue collection, WEST OF MIDNIGHT: NEW SELECTED POEMS, by Franz Douskey, places new works alongside pieces drawn from a decades-spanning career to illustrate the breadth of an influential and singular voice in poetry. Franz Douskey s insights are uniquely his, his voice direct and his imagination meteoric. Douskey has lived long and large. His readings and travels with such notables as James Dickey, Allen Ginsberg, Ai, Charles Bukowski, and F. D. Reeve are legendary. The poems are rich in wit, irreverence and a furious honesty. Everything is autobiographical. From intimate relationships, political quagmires, baseball and eroticism, Douskey wields an acerbic wit and a delicate command of tone to dive into the contradictions that make us human. From the haunted urban alleys of a turbulent childhood to his rhapsodic journeys through the nocturnal deserts of the Southwest, Douskey revels both in the absurdity of modern civilization and the heart-stopping beauty of the natural world. --Robert Reinhardt.
