Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

It was in this visit to Edinburgh that Mrs. Balwhidder bought her silver tea-pot, and other ornamental articles; but this was not done as she assured me, in a vain spirit of bravery, which I could not have abided, but because it was well known, that tea draws better in a silver pot, and drink pleasanter in a china cup, than out of any other kind of cup or tea-pot. By the time I got home to the Manse, I had been three whole weeks and five days absent, which was more than all my absences together, from the time of my placing, and my people were glowing with satisfaction, when they saw us driving in a Glasgow chaise through the clachan to the Manse. The rest of the year was merely a quiet succession of small incidents, none of which are worthy of notation, though they were all severally, no doubt of aught somewhere, as they took up both time and place in the coming to pass, and nothing comes to pass without helping onwards some great end; each particular little thing that happens in the world, being a seed sown by the hand of Providence to yield an increase, which increase is destined, in its turn, to minister to some higher purpose, until at last the issue effects the whole earth. There is nothing in all the world that doth not advance the cause of goodness; no, not even...
