Blackwyrms, United States, 2013. Paperback. Book Condition: New. 222 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Take a both fun-filled and treacherous ride into the waters surrounding the peninsular city of Charleston, South Carolina with G.L. Giles's water vampires. Slake your thirst for different vampire species and subspecies at the same time! On dry land, you'll also experience a part of Charleston, South Carolina (set primarily in the 1980s)---from White Point Garden to The Battery to the surrounding marshes, complete with plough mud and fiddler crabs---atmospherically rich with the inherent tapestry of the Carolina Lowcountry and then embellished with a healthy dose of dark fantasy! With several species of vampires in the mix, conflicts naturally arise. Add to that, some of the various species of vampires, as well as some of the humans, also have potentially fatal run-ins with some of the specters and shape-shifters found in this young adult novella as well. More than just peppering the plotline are the mostly human protagonists, Robyn and Marion, who are like contemporary versions of Robin Hood and Maid Marian in many ways---that is, with Robyn being a female and Marion a male in Giles's mythology---and the young love version to boot, as they're middle school kids. Yet, unlike other children their age, they have special gifts and a lot of responsibility for those so young in years. You see, they have the distinct burden, squarely placed upon them, of being the only ones who can save their older counterparts from another place and time: Setiana and Vasario.
