

## Godly Women: Fundamentalism and Female Power

---

By Brenda E. Brasher

Rutgers University Press, United States, 1998. Paperback. Book Condition: New. New.. 213 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Fundamentalist women are often depicted as dedicated to furthering the goals and ideas of fundamentalist men and thus of ancillary importance to the movement as a whole. Godly Women, Brenda Brasher's groundbreaking ethnographic study, reveals the paradox that fundamentalist women can be powerful people in a religious cosmos generally understood to be organized around their disempowerment. Brasher spent six months as an active participant in two Christian fundamentalist congregations to study firsthand the power of fundamentalist women. In addition to the narrow set of religious beliefs that constitute each congregation, she discovered that gender functions as a sacred partition which literally divides the congregation in two, establishing parallel religious worlds. The first of these worlds is led by men and encompasses overall congregational life; the second is a world composed of and led solely by women. Brasher explores how and why women become involved in this highly gendered religious world by examining women's ministries, Bible study groups, and conversion narratives. She discovers that women-only activities create and sustain a parallel symbolic world within...
