

How to Raise Dairy Goats: Everything You Need to Know Explained Simply (Paperback)

By Martha Maeda

Atlantic Publishing Co, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Goats have been used for their dairy products for hundreds of years, providing a wide array of milk, butter, yogurt, and cheeses that provide the unique flavors that make Mediterranean cuisine so special. For those who are interested in raising their own dairy goats so they can take advantage of the milk products provided, it is important to first of all learn everything possible about dairy goats, from what they eat to how they breed and how to cultivate and harvest the milk when the time comes. This book provides every detail you could possibly need to become a dedicated or hobbyist dairy goat breeder and farmer. You will learn how goats are raised for different purposes, including as dairy goats, fiber goats, and as a means to maintain property. You will learn how to select the right breed of goat and how to know what to look for in a specific goat. You will also learn about how to start the process of breeding goats, including the care for the mother, separation of the father, and the necessary care for the kid once it...
