ABOUT SOPHIE AND THE AIRPLANE Sophie s a dreamer who loves airplanes and doesn t take no for an answer. Her adorable spunk takes girls on a journey to discover the exciting world of aerospace! Sophie and the Airplane is part of the STEM Girls Books series. Designed for ages 3-8, these beautifully illustrated picture books show young girls (and their families) how a child s natural interests and traits such as curiosity and creativity can lead to exciting career possibilities in STEM, long before self doubt and stereotypes begin pushing girls away from these fields. Each book explores a specific STEM field through the eyes of a spunky, lovable character who leads readers on a journey of discovery and problem solving. At the end of each story, readers will meet a role model - a professional woman succeeding in the STEM fields - and will learn about her exciting career. BONUS: Browse more...
